

## Canadian Project Excellence Awards - Nominations Open

*By Bay3000 Corporate Education*

*Dated: Aug 19, 2009*

*Submit your project to the Canadian Project Excellence Awards. This is a great opportunity to recognize teams and excellent projects.*

Bay3000 Corporate Education, a leading Provider of Project Management Education announces the 6th Annual Canadian Project Excellence Awards and Learning Forum (CPEX). CPEX is dedicated to business success by enabling and recognizing outstanding leadership. Through the CPEX Competition, we celebrate Canadian projects that have overcome challenges to deliver superior value. The Nominations are open and forms are available at [www.cpex.ca](http://www.cpex.ca)

According to Mayor David Miller, “The awards recognize outstanding achievement and performance by governments and the Private Sector to acknowledge project excellence, quality, and creativity. They celebrate resourcefulness, impact, innovation, and leadership, and are a symbol of the highest standard of commitment.”

CPEX will be held on November 2, 2009 at the innovative Institute for Learning, Toronto. The goal of this milestone event is to connect individuals and organizations from industry, business, and government sectors to learn critical best practices from leading experts in the field, to share knowledge, to network, and to celebrate achievements made by Canadian Projects.

CPEX fills a void by serving as the meeting place where leaders and their teams come together to exchange ideas and discuss strategic alignment and execution. This unique event is geared to Senior Project Management and Executive leaders.
