September has been designated National Preparedness Month by the U.S. Department of Homeland Security. As one of the nation's foremost discount suppliers of emergency survival supplies, SurvivorMall.com also provides military gear and clothing, food and water rations and filters, terrorism and self defense products and related print and media to everyday citizens, government agencies, state governments, public and private schools, civic organizations, care homes and even Hollywood stars. "SurvivorMall.com was started following 9/11 to provide an affordable single-source platform where people, businesses and agencies could find the numerous products they need for disaster readiness," says CEO Tom Horn. "We are in the business of reducing fear and building confidence through helping people and organizations prepare for the unknown. As Proverbs 22:3 says, 'A prudent man foresees the difficulties ahead and prepares for them, while the simpleton goes blindly on and suffers the consequences.'"

Following 9/11 and Hurricane Katrina, people panicked when they found stores closed, utilities unavailable and emergency personnel tied up helping others. "The dramatic lesson is that every person, business and institution must be prepared to care for themselves, to survive" Horn adds. "National Preparedness Month was created to encourage Americans and businesses to take simple steps in order to be ready for emergencies."

To support this national effort, SurvivorMall.com has set up a special FREE DOWNLOADS page where anybody can download emergency preparedness books and reports such as: Family Emergency Planning, Pandemic Flu Preparedness, Emergency Management Guide For Business & Industry, Emergency Guide For Disabled Employees, Emergency Response To Terrorism, How To Build A Bomb Shelter, Army Corp Radiation Protection Manuel, Carbon Monoxide Poisoning Prevention, Home Chemical Emergencies Guide, and many more, absolutely free. The FREE DOWNLOADS page is located at <http://www.survivormall.com/index.asp?PageAction=Custom&ID=16>
