Get Dermatological Issues Addressed with Westminster MD Dermatology

(August 25, 2009) Caring for your skin on a day to day basis is usually an easy job, but sometimes health conditions make it impossible to deal with skin issues without the help of a qualified medical professional. Even if you have excellent hygiene, your skin, scalp, and/or nails can develop any number of problematic conditions that must be treated with specific courses of treatment. You can develop allergies that affect your skin, you can develop chronic skin conditions that make your skin look unhealthy, or you can develop serious illnesses of the skin requiring immediate medical attention; if you live in Maryland, this is where the Westminster MD Dermatology office can be of incredible service and value.

At the Westminster MD Dermatology office, part of Maryland Dermatology Associates, you can get any dermatological issues treated with total and absolute professionalism. The Maryland Dermatology Associate's Westminster MD Dermatology office is open on Wednesdays from 8 am to 5 pm and is affixed on 295 Stoner Avenue, Suite 301, in Westminster, Maryland. Getting good care from a dermatologist can ensure that you have excellent skin health for your entire life!

The Westminster MD Dermatology office is one of two professional offices belonging to Maryland Dermatology Associates and is operated by Juris P. Germanas, M.D., a licensed, professional, and highly skilled dermatologist. Dr. Germanas graduated from the University of Texas Southwestern Medical School at Dallas in the year 2002, and successfully finished his residency at the same university in the year 2006. An esteemed author of a variety of publications, Dr. Germanas has been published in as many as sixteen journals during his career including journals like the American Academy of Dermatology. Today, Dr. Germanas offers dermatological services in the state of Maryland with a focus on offering diagnostic laboratory & dermatological immunology services, dermatology services, dermatopathology services, surgical services, and more. Visit our website at <http://www.mddermassociates.com> to learn more about our services.

At the Westminster MD Dermatology office you will be greeted by professional, amiable staff willing to assist you in every way possible and to make you perfectly comfortable. You will find Dr. Germanas skilled in treating allergic conditions, immunological conditions, eczema, skin cancer, psoriasis, nail conditions, scalp conditions, dermatitis, acute acne, chronic acne, rashes, and other skin disorders and diseases. Your first visit to the Westminster MD Dermatology office will involve an in-depth evaluation of your medical history and your condition, and a treatment plan will be specifically designed to assess your dermatological needs.

When you make an appointment at the Westminster MD Dermatology office, you can expect an unparalleled level of professionalism. No question will go unaddressed and you will be offered all the information about your skin condition, your selected course of treatment, and your prognosis. No matter

what underlying condition is causing your skin to be less healthy than it should be, you can count on Dr. Germanas to assist you in discovering the cause and identifying healthy solutions. Dr. Germanas combines all of his years of experience in the field as well as his experience with Diagnostic Laboratory & Dermatological Immunology, Dermatology, Dermatopathology, and surgical methods to ensure that your course of treatment is perfect for you so that you get back on track with your health.

“My son had terrible acne and I could tell it was affecting how he felt about himself. I decided to take him to the dermatologist at the Westminster MD Dermatology office and I am definitely pleased with my decision. Now, my son’s self-esteem has really soared!”

Ellen R.

Visit the Maryland Dermatology Associate’s official website for full details about the Westminster MD Dermatology office and its sister site in Mount Airy. You can also get a map for clear driving directions on the website for either destination.
