

Uncle Hilde's Surplus Lumber - "We're Stimulating the New Hampshire Economy!"

New Hampshire based surplus lumber company offers discounts on flooring, decking, lumber and building materials.

Aug. 27, 2009 - [PRLog](#) -- "Don't spend money where you don't need to." That's the Uncle Hilde's philosophy as coined by the owner's Uncle Hilde himself. Started in 2006 as a bargain barn for building materials, Uncle Hilde's now has two stores, one in Tilton, New Hampshire and one in Merrimack, New Hampshire. Specializing in opportunity buys, which have been plentiful in the down economy, Uncle Hilde's offers Wood Flooring, Wood and Composite Decking, S4S Boards, Landscape Timbers and General Building Supplies.

Many of the products at Uncle Hilde's are "one time" deals - once they're gone, they're gone. Whether you need to build a Farmer's Porch, a new deck, panel your basement, build an addition, or install a new hardwood floor, Uncle Hilde's has the right material at the right price. You can save 20% or more over typical lumber yard prices.
