About NOKR:

The NOKR was established as a FREE tool for daily emergencies and national disasters. NOKR is an emergency contact system to help if you or your family member is missing, injured or deceased. NOKR provides the public a free proactive service to store emergency contacts, next of kin and vital medical information that would be critical to emergency response agencies. Stored information is only accessible via a secure area that is only accessible by emergency public trust agencies that have registered with NOKR.

NOKR encourages every township, county, municipality, city, state and nation to take ownership of the NOKR. This resource belongs to you, your citizens and to your emergency agencies. Take the NOKR registration forms and add your own identifying symbols.

NOKR is a humanitarian organization. As part of our mission to society NOKR has created a trusted safeguarding system for all personal emergency contacts worldwide. NOKR does not own the information

we store, this information belongs to the registrants and is made available securely to registered emergency agencies during times of urgent need.

NOKR is a non-partisan; non-profit 501(c)(3) dedicated to bridging rapid emergency contact information. NOKR was established in January 2004, for daily emergency situations. The NOKR was established as a FREE tool for daily emergencies and national disasters. NOKR is your emergency contact system to help if you or your family member is missing, injured or deceased.
