Protein Soup is a great addition to any weightloss program or high protein diet. Protein soup meal replacements come in two flavors: Lean Beef and Noodles, and Roasted Chicken and Noodles. These **protein soups** contain 26g of protein per serving. The protein is from Beef Protein Isolate, Egg White Albumin, and Micellar Casein. These sources of protein provide a steady flow of amino acids and provide a longer feeling of fullness than regular soups. True Protein Meal Replacement Soup also contain a variety of freeze dried vegetables such as Carrots, onion, celery, spinach, and bell peppers. True Protein **High Protein Soup** meal replacements have a low 24g of carbohydrates per serving.

Just add 1 cup of boiling water to the **high protein soup** and stir. Let it sit for a short while, then enjoy a healthy high protein meal. Whether its a cold winter day or spring afternoon this healthy **protein soup** is a nice snack.

This **protein soup** is sure to fill your stomach and assist you in your goal to drop a few pounds. This high protein meal replacement is not just for competitive athletes, bodybuilders, or those on strict diets. Anyone can use this **high protein meal replacement**. It tastes great and is very satisfying.

About True Protein :

True Protein is not just another supplement company.

True Protein was established on the values of our customers not the owner's wallets. True Protein absolutely refuses to cut any corners when it comes to product quality, product validity and product manufacturing. Unlike many other companies in the industry we hold the customers needs to the utmost importance.

From the start of business years ago we have been obsessed with our quest in offering the highest quality and best performing protein powders and supplements at the absolute lowest price. We are able to offer these products to you at such incredible prices because of our refusal to pay huge advertising costs, fancy labels, elaborate marketing schemes and all the bells and whistles that a typical retail supplement company takes on. True Protein also holds our customer service to the same level as product quality. We understand the nature of raw materials can be confusing and we pride ourselves on showing each customer we truly do appreciate their business by going above and beyond in offering you the personal one on one service you expect.

The name and reputation of True Protein has been built on word of mouth alone in the health and fitness industry...

True Protein has an ever expanding line of supplement products. Whey protein, creatine, custom

supplements, and high protein soups and protein broths.
