They have a sick Website that you can see was done by a Professional and the Graphics make you know your buying from the best. I was just told by the CEO of flipcups.com that they are actually making funny movies/videos as well. I asked why all this?

His answer life is fun and why not enjoy everyday, and what else would I want to be doing then partying everyday.

What do they have on this site? Beer Funnels, Jello Shots, BierSticks, Ice Booze, Cooler Scooters, Bar Stools, Beer Pong Inflatable Tables, balloon Bazookas, Funny Shirts for both Girls and Guys, Neon Signs, Gags, Even stuff to hide your "stuff in"
