

Prudence International Magazine : The Pulse of Africa

This press release is to inform the readers that Prudence International Magazine is the pulse of Africa.

Sept. 10, 2009 - [PRLog](#) -- Prudence International Magazine is one of the most popular people oriented business magazines of Africa that connects businesses across the Atlantic. It has been serving the people of Africa with its intellectual, people oriented international news source. This magazine focuses on business relationship between Africa, United States, and Europe.

Prudence International Magazine is also referred to as the pulse of Africa as it focuses on the achievements, problems, struggles and challenges faced by the African people all over the globe. This magazine also focuses on promoting partnership between Africa and the rest of the world. It places special focus on activities of several trade organizations including corporate council on Africa, minority business development agency of the United States Chamber of Commerce, and small scale administration.

Prudence International Magazine has innovative publisher and dedicated editorial team; this is why this magazine boasts of a circulation of more than 53000 copies. This business magazine is very popular with the policy makers in Africa and the United States, with its reach extending over 28000 CEOs of the corporate world, professional bodies, and small to medium size businesses.

#

Prudence International Magazine is a leading worldwide African publication devoted to promoting business between the United States, Africa, and Europe. Considered by its readers as "The Pulse of Africa," Prudence International Magazine is in its fifth year of publication and is very popular with policy makers in the United States and Africa. Based in Washington, D.C., Prudence International Magazine is a subscriber-based magazine that is circulated at the Capitol Hill. The innovative publisher and passionate and dedicated editorial team of the magazine have helped Prudence International Magazine in carving a special niche in the print media industry. By providing accurate information, awareness and business opportunities to its readers, Prudence International Magazine continues to make tremendous strides, creating positive impact on countless mid-size businesses in the U.S. and Africa.
