

## Announcing the launch of MSDynamicsWire.com

*News about the launch of MSDynamicsWire.com portal dedicated to Microsoft Dynamics informative resources*

**Sept. 12, 2009** - [PRLog](#) -- MSDynamicsWire.com, A Portal dedicated to providing informative resources on Microsoft Dynamics is launched today. The portal based on web2.0 technology actively aggregates the content of various product categories within Microsoft Dynamics and present the same in the portal. The portal also provides the latest tweets on different products such as Dynamics CRM, Dynamics GP, Dynamics AX as part of its twitter category. In short, the portal is a one-stop resource for the MS Dynamics Professionals, partners and Customers looking for information in and around Microsoft Dynamics. The portal is released as an initial Beta version and is expected to have more improvements and enhancements in the future months.

###

MSDynamicsWire.com is an informative portal dedicated to bring the latest news updates, Blog updates and several other informative resources in Microsoft Dynamics Community. The portal is based on RSS syndication aggregating various sources of information in Microsoft Dynamics community.

MSDynamicsWire.com covers various product areas inside Microsoft Dynamics that include Dynamics GP, Dynamics AX, Dynamics CRM, Dynamics NAV, Dynamics RMS, Dynamics SL adding to the general news updates in Microsoft.

MSDynamicsWire.com is a brainchild of Janakiram M.P. who got years of experience as a Microsoft Dynamics Consultant.

The Portal is in its initial Beta version and sustained development of the portal would continue in order to bring more value addition to the MSDynamicsWire.com Resource Library.
