When creating our 24hr Repair Service for Apple iMacs, Mac Mini's, Mac Pro's, MacBooks, PowerBooks and iBooks, we discussed how we would like to be treated if our Mac had a problem and we needed help to get it repaired. The same words popped up when describing how an ideal service should work:

Fast
Trusted
Reliable
Economical
Friendly and Flexible.

When creating our 24hr Repair Service for Apple iMacs, Mac Mini's, Mac Pro's, MacBooks, PowerBooks and iBooks, we discussed how we would like to be treated if our Mac had a problem and we needed help to get it repaired. The same words popped up when describing how an ideal service should work: Fast, Trusted, Reliable, Flexible and Friendly. That's the basis for our Mac repair services... Call 08448 121 999

We used the above words as the basis for our Apple Mac Macbook, MacBook Pro and PowerBook G4 laptop repair services in London, UK.

Trusted - by so many London Mac users
MacEmergency has 20 years of experience. Our technicians our simply 1st class. But don't take our word for it, put us to the test and see why we're often copied but never equalled!

Reliable - you can count on us.
Our philosophy is to under-promise and over-deliver. We will give you straightforward information about your particular repair situation and when we say we will do something, you can bank on it happening. When we quote you a repair price, there are no hidden (read: costly) surprises down the road.

Economical.
Our flat-rate repair costs work with you to find the most economical repair solution for your particular Mac. Our goal is to earn your business for life and to provide assistance as long as you own an Apple laptop like the PowerBook G4, Macbook, MacBook Pro or other portable Apple product.
