"Thank you for the beautiful swimsuit, I just wanted to let you know that I absolutely love, love, love my swimsuit that I bought at Curvysea. I bought the bathing suit for a trip to Hawaii and it became my absolute favorite even though I had bought several others from different online shops. My swimsuit is absolutely amazing. It gives enough support where I need it and the minute I put it on I instantly look 10 lbs slimmer. It holds me in yet is very comfortable and so adorable and sexy at the same time.

Plus I was impressed by the incredibly fast shipping especially coming from Sydney - Australia while I live in Chicago. Thank you again and you have made a loyal customer out of me. I tell everyone about your site.

I was very pleased not only with my swimsuit but also with the great customer service you provide. I had a couple questions before I bought and you answered them right away" Says Mary from IL, the USA.
