Locating family and friends post the Samoa Island Tsunami. NOKR is working to assist the Territorial Emergency Management Coordinating Office in Samoa.

The National Next Of Kin Registry(NOKR) would like to inform those who have family members visiting or living in the Samoa Island tsunami area to visit the NOKR the Emergency Contact Registry, <http://www.nokr.org> to register vital information about their family members in the event this information is needed by the authorities or search and rescue teams.

“We are doing everything we can to assist communication efforts,” says Mark Cerney, NOKR President. “We cannot emphasize enough to Americans nationwide the importance of registering themselves and their loved ones via the free service to enable an efficient location and contact of family and friends. The goal is to regain contact with loved ones for medical purposes and to minimize emotional trauma.”
