**Oct. 7, 2009** - [PRLog](#) -- In their continuous pursuit for excellence, The Prem Golf Academy and Prem Center have joined efforts in order to better cater the family golf and travel experience.

With this month's opening of The Prem Residence, managed by Mom Tri's Villa Royale Group-Phuket and conveniently built on the Prem Tinsulanonda International School (PTIS) campus, visitors can now reside in close proximity to their sports instruction.

Located 25 kilometers north of Chiang Mai, nestled in the Mae Rim valley amidst the rice fields, lush countryside and surrounding mountains, The Prem Golf Academy along with The Prem Residence offer you the ideal learning center for golf instruction.

The Villa Royale Group (VR) accommodation is the personal creation of renowned artist, architect and CEO of PTIS, Mom Luang Tridhosyuth Devakul, better known simply as Mom Tri, who is a descendant of the King Mongkut Rama IV. Mom Tri's concept goes beyond a characteristic International school. With the recent additions of top-level sports academies for golf, tennis, cricket and football, The Prem Center offers a new and unique opportunity for visitors to northern Thailand to find the one place designed and dedicated to sports instruction. For the golf student this means no distractions and no troubles, just the one place to refine your swing! Family members will not feel left out as The Prem Residence adapts to the true needs of all its visitors, granting them the flexibility to choose from a wide range of rooms, privately arranged travel and cultural offerings around Chiang Mai, to a host of offerings right on campus from tennis courts, cooking classes, swimming, health spa and massage, The Club restaurant and so much more.

The Prem Residence offers twenty-two suites which include standard and superior studios, along with deluxe studios and two-bedroom deluxe suites, all of which incorporate the highest Villa Royale standards. Modern comforts, private decks off every room, a peaceful courtyard with a swimming pool and Jacuzzi create an atmosphere of calm and relaxation for guests.
