### *Introducing Three Very Merry Holiday Gift Sets*

Sugar Grove, IL, September 14, 2009 – Ultra thoughtful ... truly luxe ... and oh-so French. C'est vous, when you give the gift of Votre Vu! Indeed, when you pack your sack with Vu's luscious lotions and beauty in bottles, you'll make everyone wish to be on your receiving end! This holiday season, the nouvelle maker of fine French skin care presents three very merry gift sets – and all at delectable discounts.

#### **Clothing Optional**

The dress code this holiday season calls for radiant, nourished skin. So whether you are baring your shoulders or baring it all, make sure you're covered in Votre Vu's skin-rich recipes and sultry sweet almond aroma from the French-blended Tarte D'Amande Body Soufflé and Luxe Hand Crème. Another festive fashion tip: plump up that mistletoe pout with Luxe Lips Balm, also included with this premier gift package. The "Clothing Optional" gift set includes one Tarte D'Amande Body Soufflé, infused with vitamins and tropical nut oils, and one Duette (a duo of Luxe Hand Crème and Luxe Lips) for \$68 (\$60 for Preferred Members\*) and is packaged in a special edition gift box for immediate gifting. Très simple!

#### **Duette Unto Others**

Make Duette your go-to gift for teachers ... neighbors ... co-workers ... and bonnes amies! This year, say no to the ho-hum holiday mug and yes to the French-crafted formula by giving this deeply moisturizing hand crème and lip balm in one clever package. Thoughtfully cross three recipients off your gift list with one truly posh purchase – a hand crème rich in sunflower, grape seed, and jojoba oils; aloe, wheat proteins, and natural sun filters – as well as a lip balm blended with coconut oil, shea butter, beeswax and UV filters. What's more, this Duette set allows you to buy three naturally nourishing treats for the price of only two – a gift in itself! The "Duette Unto Others" gift set includes three Duettes (a duo of Luxe Hand Crème and Luxe Lips) for \$79 (\$73 for Preferred Members).

#### **Cocktails and Mocktails**

This year, give the nouvelle holiday beverage, SnapDragon! Serve Vu's SnapDragon beauty benefit beverage at your festivities or treat your host to health in a bottle. The Snap four pack provides enough bottles to both give and receive –in other words, keep some in your own personal reserve – and at a delectable discount. Packed with powerful anti-aging super fruits like acai berry and pomegranate as well as collagen, and beneficial botanicals like aloe vera and ginkgo biloba, Votre Vu's exclusive beauty beverage is sure to spread delicious cheer. SnapDragon is fabulously refreshing served straight up, in a smoothie, or mixed with a myriad of over-21 options, naughty or nice. The "Cocktails and Mocktails" gift set includes four 30-ounce bottles of SnapDragon and snappy drink recipes for \$25 (\$23 for Preferred Members).
