

Meritnation.com launches Science & Maths Olympiad Packs

Source: Meritnation

Dated: Oct 15, 2009

Meritnation.com, an educational website that offers complete learning solutions for students from classes V to XII, has launched special Science & Maths Olympiad Packs.

Meritnation.com, an educational website by Applect Learning System, has recently enhanced its product offering by adding educational content for students in classes VI-X who are appearing for National Science Olympiad (NSO) and International Mathematics Olympiad (IMO). Meritnation.com is an education website that offers a wide range of products in the subject areas of Maths, Science and English catering to the needs of students across various boards.

To enable students excel in Science Olympiad and Maths Olympiad, meritnation.com has launched special Science & Maths Olympiad Packs. These Science & Maths Olympiad Packs contain practice tests and model tests that are specially designed to help students prepare for the Olympiads. Meritnation.com's Science & Maths Olympiad pack is extensive and covers over 900 questions. Once activated, this pack will remain accessible to all students till 31st March 2010 to help them in the subsequent rounds.

“Maths and Science Olympiads have always been very popular among school students across the country. And keeping this in mind we have designed special Science & Maths Olympiad Practice and Model Test packs to help students excel holistically” says Pavan Chauhan, Director-Applect Learning Systems.
