

Free Internet Workshop in Detroit: Making the Internet Work Series - Incorporate Total Automation

Automation is the key to every successful online business

Oct. 17, 2009 - [PRLog](#) -- Detroit, MI – Mark Maupin, founder of National Real Estate Network and Right Now Marketing Group will be a guest speaker at a class to show students how to use the internet to attract people to your business.

Come and learn how to incorporate the key to every successful online business – Total Automation.

Participants will learn and discuss how to promote a business online and be at the top of a Google search in their field of expertise.

Mark Maupin is a well-known speaker, teacher and seminar leader in the Metro Detroit area. His real estate seminars, internet marketing classes and small business workshops have gained the attention of small business owners, entrepreneurs, real estate investors, landlords, commercial real estate developers, marketing and advertising services and almost everyone in the area who wants to take action and succeed financially, even when the economy is down.

All of Mark's workshops stress the importance of networking and meeting people in your local market area. "Surround yourself by others who have been successful and model your program after them," says Maupin.

The class meets on Wednesday, October 21, 2009; from 11:30am to 12:45pm at the Western Campus of Wayne County Community College; 9555 Haggerty Rd; Belleville, MI 48111. Visit <http://www.megaeveningevent.com> for details on all upcoming events.
