Applect Learning System's educational website, meritnation.com has recently added content for students of Maharashtra Board for Maths, Science and English. Educational content is available to students from classes VI to X.

Applect Learning Systems, funded by Info Edge (India) Ltd. (the parent company of Naukri.com) has recently added one more feather to its cap. After catering to national boards like CBSE and ICSE, meritnation.com (an educational website by Applect Learning Systems) has now made a foray into regional boards by adding educational content specially aligned for Maharashtra Board. Maharashtra board students from class VI-X can now access content for Maths, Science and English in the form of Test Papers and Revision Notes.

The Test Papers for students of Maharashtra board at meritnation.com are available in various formats such as end-of-chapter multiple-choice tests, full-length multiple choice tests, and subjective tests covering all chapters. The Maharashtra State Board Revision Notes are precise, end-of-chapter highlights meant for easy reading at a glance. Many of the topics covered in the Maharashtra State Board revision notes are supported by self-explanatory diagrams and sketches to make the revision activity highly effective.

“In our efforts to further increase our subscriber base across India, we have recently added content for Maharashtra Board catering specifically to the needs of the students of Maharashtra Board. We will continue to upgrade our content by adding learning resources relevant for other important state boards in the future” says Pavan Chauhan, Director-Applect Learning Systems

The educational content by meritnation.com for CBSE, ICSE and Maharashtra Board has been developed by a team of highly experienced educationists. The team at meritnation.com boasts of having a cumulative experience of over 100 years in the education sector.
