

## CitySide Chiropractic Center Announces New Squidoo Lens

*By CitySide Chiropractic*

*Dated: Oct 23, 2009*

*CitySide Chiropractic Center is now on Squidoo! A new lens, or page, dedicated to promoting chiropractic care for residents of Rhode Island.*

CitySide Chiropractic Center is pleased to announce the launch of their new chiropractic lens on the popular site Squidoo ([www.Squidoo.com](http://www.Squidoo.com)). This lens or page was created to promote chiropractic care for residents of Rhode Island. The site's founder, Dr. Mark Mulak, explains in detail. He states, "This new chiropractic lens on Squidoo creates a valuable resource for us to promote our excellent chiropractic services and update our existing patients with newest developments within our practice. We also hope to use this lens to promote advancement in the treatment of back pain, neck pain, whiplash and carpal tunnel syndrome. Many people within the Rhode Island communities of Providence, Cranston, and Warwick are looking for modern alternatives to traditional chiropractic care. "

Dr. Mark Mulak is a Doctor of Chiropractic whose practice is devoted to helping people recover from traumatic injuries. He is a Certified Chiropractic Sports Physician and also certified in whiplash trauma by the Spine Research Institute of San Diego. His practice, CitySide Chiropractic Center, is located at 900 Reservoir Avenue, in Cranston Rhode Island. Dr. Mulak provides a range of services in addition to traditional chiropractic care including cold laser therapy and Kinesio Taping.
