Saint Louis Law Firm Boasts Half A Million Dollars Worth Of Workers' Compensation Settlements

Popular law firms like to showcase the amount of settlements they have secured, and The Padberg & Corrigan Law Firm has much to share.

The firm, based in St. Louis of Missouri, has announced that they have reached \$500,000 in total settlements won that involved workers' compensation rights. The total was derived from two separate cases, which are detailed at <http://padbergcorrigan.com/cases.html>.

A critical injury at work can easily prevent one from ever returning- which gives The Padberg & Corrigan Law Firm all the more reason to push for the highest settlement possible. The group covers all bases, from health care expenses to emotional harm, in order to allow the individual to rest easy.

The milestone is one of many for the law firm. Those who have reason to believe they need a lawyer should visit the firm at <http://padbergcorrigan.com> to see what kind of experience the group of professionals can provide.
