*we make onyx slabs in all color of pakistani onyx in big and small size which is used for any cut-to-size work such astiles, countertops for shops, hotels, restaurants, bathrooms, Coffee shops,stairs steps, table tops, vanity tops etc*

**Oct. 31, 2009** - [PRLog](#) -- Slabs for export sold per square foot or meter. These slabs measure: Lenght: 5 to 8 feet OR 60 to 96 inches OR 150 to 240 cm Width: 4 to 6 feet OR 48 to 72 inches OR 120 to 180cm and Onyx Slabs Thickness: 2 and 3 cm OR 20 and 30 mm, based on the characteristics of the materials. They are crack-free, therefore usable up to 90/95%, and suitable for every cut-to-size work, like tiles, countertops for shops, hotels, restaurants, bathrooms, Coffee shops,stairs steps, table tops, vanity tops etc

These slabs are suggested to produce vanity for bathrooms, tiles, skirting, stairs and any kind of cut-to-size work of reduced dimension. They are suitable for markets where the labour cost is lower than in other countries, or where the work required to finish the product is not cost effective, so that the cost of the finished work remains more competitive.

\*Each stone, and therefore each floor, is unique in character, and variation must be expected. All slabs sizes and thickness are an approximation only and all Onyx slabs will vary in colour, tone, marking and texture from those shown in the website/brochure or from samples received.

Arc International produces various types of slabs in onyx like Dark Green Onyx Slabs, Green Onyx slabs, Light Green Onyx Slabs, Multi Green Onyx Slabs, White Onyx Slabs, Multi Red Onyx Slabs, Multi Brown Onyx Slabs, Golden Onyx Slabs for every type of demand and devotes much care both in the selection of the slabs and in the polishing of the slabs. The selection aims to satisfy the Customers' requirements, so that they can be sold on international markets.
