C3Gifts will be hosting a ribbon cutting ceremony at the Jacksonville-Onslow Chamber of Commerce from 12-1 p.m on November 9, 2009. Crystal Lopez, owner and founder of C3Gifts, will be introducing her new line of gift baskets that are perfect for house warming gifts, thank you gifts, military care packages, birthday gifts and more. There will be food, friends, fun and of course, baskets.

C3Gifts.com, the Unique Gift Emporium, was founded by Lopez, a member of MOPS and the Jacksonville-Onslow Chamber of Commerce. She came up with the idea because, as an entrepreneur, she wanted to find a way to earn extra money while still being able to stay home and care for her prematurely born twin boys. She wanted to create a company that offered high-quality, affordable products to a wide range of customers, from individuals to corporations and everyone in between.

Lopez has truly achieved her personal goal of offering the public specialized gift baskets containing a variety of products. She attributes the continued success of C3Gifts to "family, friends, and loyal clients. They have provided me with great ideas for new product designs while simultaneously pushing me to continue to excel in growing my business".

The ribbon cutting ceremony on November 9, 2009 is open to the public. For additional information on C3Gifts, contact Crystal Lopez at (910)526-2008, or visit [www.C3Gifts.com](http://www.C3Gifts.com).
