

Virginia Personal Injury Attorney, James Parrish, Featured On “The Next Big Thing™” Radio Show

James Parrish, author and personal injury attorney, was recently featured on “The Next Big Thing™” Radio Show, showcasing experts across a wide array of industries.

Nov. 9, 2009 - [PRLog](#) -- James Parrish, of The Parrish Law Firm based in Manassas and serving the Commonwealth of Virginia, was recently featured on an episode of the internet radio show, “The Next Big Thing™.” The show gives listeners exclusive insider interviews with experts and uncovers what the “Next Big Thing™” is for businesses and consumers alike. The experts featured on each episode are dedicated to spreading knowledge and awareness in their field of expertise and making significant contributions to their industry and the marketplace as a whole.

The radio show was launched by America’s PremierExperts®, an organization that honors an exclusive group of forward-thinking business owners, entrepreneurs, professional speakers, authors and corporate CEOs who are pioneers in their market that will share their secrets of success with the audience. The show is hosted by international radio host Wayne Kelly and Nick Nanton, Esq., “The Celebrity Lawyer.”

James was chosen for this honor for his expertise and success in personal injury law, as well as his dedication and belief in putting clients first. James Parrish is a former insurance defense lawyer who now represents injured persons against the insurance industry. He uses the “Inside Information” he learned while defending insurance companies to the advantage of his clients and has recovered millions of dollars in judgments and settlements on their behalves.

Parrish was interviewed and discussed the role a personal injury lawyer can play to help victims of personal injury deal with the barrage of insurance adjustors, medical treatment, etc. Wayne and James also discussed what rights victims have in the event of personal injury. They also talked about many of the topics included in James’ book, “The Virginia Car Accident Guide.”

“What I’ve learned over the years is that the vast majority of people who are hurt or injured in an accident are not out to make a million bucks,” remarked Parrish. “They are not out to take advantage of anyone. What they want is to get their life back in order,” James continued.

Each episode of “The Next Big Thing™” showcases a different expert who has been chosen to share insights from their business and personal experiences. The individuals that will be showcased are forward-thinking business owners, entrepreneurs, professional speakers, authors and corporate CEOs who are pioneers in their market that will share their secrets of success with the audience.

About James Parrish:

James Parrish is a former insurance defense lawyer who now represents injured persons against the insurance industry in car/motorcycle/tractor-trailer accidents, as well as in many other types of cases such

as dog attacks and unsafe prescription drugs . He uses the “Inside Information” he learned while working for insurance companies to the advantage of his clients and has recovered millions of dollars in judgments and settlements on their behalves.

Mr. Parrish is also the author of The Virginia Car Accident Guide and The Insider’s Guide to Dog Bite Claims in Virginia. Both consumers’ guides were written to educate and assist the unfortunate people who have suffered injuries in a car accident or who have been injured due to the fault or negligence of another. These books will help injured persons and their families to understand and avoid the tricks and schemes that are regularly utilized by insurance professionals, which are intended to take advantage of them.
