Robert Walsh announces Winning Pick 4 Numbers on Record Setting Pace for the Month of November.

Nov. 9, 2009 - [PRLog](#) -- Robert Walsh announces Winning Pick 4 Numbers on Record Setting Pace for the Month of November. His 20-plus Proven Pick 4 Strategies in “Play & Win Daily Pick 4 With Big Cash Winning Numbers” identify nearly 300 Back-to-Back Box Wins in the first 7 days of November alone.

There are over 1000 Back-to-Back Straight and Box Wins in the Month of September from all thirty-four Pick 4 Lotteries in the United States, Canada, and Puerto Rico using his 20-plus Proven Pick 4 Strategies at <http://www.playdailypick4bigmegacashwinningnumbers.com>.

November’s Winning Pick 4 Numbers start out like “gangbusters”. They are on a record setting pace that could surpass the Great Record Number of Back-to-Back Wins of September 2009.

In the first seven days of November there are already 292 Back-to-Back Box Wins recorded throughout the thirty-four Pick 4 Lotteries in the United States, Canada, & Puerto Rico. Twenty nine of the thirty-four Lotteries show Straight Wins, and the following six Lotteries already have recorded Back-to-Back Straight Wins: Indiana Daily 4, Ohio Pick 4, Oregon Pick 4, Texas Daily 4, Quebec’s La Quotidienne 4, and Ontario Pick 4.

Both Canadian Provinces’ Pick 4 Lotteries start strong.

The Ontario Pick 4 begins the month with an obvious Pick 4 Straight Win that Strategy #11 easily converts from one day to the next. The Ying-Yang Strategy with help from Strategy #14 creates the first of the Back-to-Back Straight Wins in the La Quotidienne 4 in Quebec. The second Straight Win is created by the Yang-Yang Strategy – Strategy #14 combination within the first 3 days. Each Canadian Province also shows a set of Back-to-Back-to-Back Box Wins.

Like their Canadian counterparts, all the following Pick 4 Lotteries with a single daily draw, namely, California Daily 4, Rhode Island Numbers, Wisconsin Daily Pick 4, North Carolina Pick 4, West Virginia Pick 4, and Puerto Rico Pega 4 also show Back-to-Back-to-Back Box Wins.

The following two draws per day Pick 4 Lotteries all have at least six (6) Back-to-Back Box Wins based on the use of the Pick 4 Strategies just in this first week of November 2009 alone.

This first group of Pick 4 Lotteries has 6 or 7 sets of Back-to-Back Box Wins in each State Lottery: Delaware Pick 4 (6), District of Columbia DC -4 (6), Florida Play 4 (6), Georgia Cash 4 (6), Massachusetts Numbers (7), and Pennsylvania Big 4 (7).

This next group of Pick 4 Lotteries has recorded 8 or 9 sets of Back-to-Back Box Wins based on the Proven 20-plus Winning Pick 4 Strategies in the newly announced revised and updated version of “Play & Win Daily Pick 4 With Big Cash Winning Numbers”: Indiana Daily 4 (9), Kentucky Pick 4 (9), Missouri Pick 4 (8), New York Win 4 (9), South Carolina Pick 4 (8), Tennessee Cash 4 (9), and Virginia Pick 4 (9).

The third group of Pick 4 Lotteries has recorded 10 to 12 sets of Back-to-Back Box Wins during this first week of November 2009 based on the winning Pick 4 System by Robert Walsh. The list includes: Connecticut Play 4 (10), Illinois Pick 4 (10), Iowa Pick 4 (10), Maine Pick 4 (12), Maryland Pick 4 (11), Michigan Daily 4 (11), New Hampshire Pick 4 (12), Texas Daily 4 (10), and Vermont Pick 4 (12).

The most productive Pick 4 Lottery with its four draws per day is the Oregon Pick 4 with twenty-two (22) recorded Back-to-Back Box Wins in the first seven days of November 2009.

This outstanding performance of the 20-plus Winning Pick 4 Strategies by Robert Walsh clearly demonstrates their powerful success from coast to coast outperforming any other Pick 4 System on the market.
