Dated: Nov 19, 2009

Finally SurClaro has its own online Microsoft flightsim add-ons shop, you will find high quality add-ons for fs2004 and fsx, it's being hard work, I hope you will enjoy it.

Microsoft flight simulator software has been around since 1980, with a huge fans community. SurClaro have been online for over 10 years always providing the latest freeware add-ons and news for the flight sim fans worldwide.

Now we are able to offer our members and the community in general, the finest quality payware flight simulator X and fs2004 add-ons.

We started selling the best and most awarded products from DBS Studio, Perfect flight, CaptainSim, Carenado and Wilco publishing.

Right now we have more than 60 add-ons for either FS2004 and Flight Simulator X, just to list a few; Piper Seneca II, Piper Saratoga, Piper Arrow, Cessna 152, Cessna 172, Augusta Bell 609 "Tilt Rotor", Airbus A380 V2, Embraer regional jets, Boeing 717, Boeing 757, Boeing 727-200, Boeing 767-300, NASA Space Shuttle, DBS Walk and Follow and more.

So far the best selling title is the Captain Boeing 727-200 for FSX and all its expansions, The '727 Captain' is a remake of the famous 'Legendary 727', rebuilt to meet modern Captain Sim quality standards and provide a full spectrum of FSX features. The '727 Captain' delivers brand new re-modeling and texturing, re-programming from a scratch of all systems and number of additional features. You will get unparalleled visual quality and realism, a product designed according to FSX standards that is fully DirectX 9/10 compatible.

We invite you to visit us and check what we have to offer.
