

New Handcrafted State-of-the Art 64-Gun British Warship Model, Now on Sale, made by Dens Model Ships

By Dens Model Ships

Dated: Nov 21, 2009

Www.densmodelships.com is now having a Model Ship Sale on his scaled museum quality 64 - Gun British Warship Model.

Counted as one of the most expensive ship models, it justifies its price. This custom-made state-of-the art ship is 100% scratch built, its body is embedded with a variety of woods including cherry, walnut, and a rare wood called chestnut.

The scale of the model is 1/96 and measures 27" (L) x 12" (W), and 25" (H). It has 5 diverse deck levels with a plank-on-frame structure, some of the hull and deck planks were deliberately left off the model to show how the ship was constructed.

You would be amazed to know that around 1,175 working hours were invested over it to create this edifice, which is made up of over 10,000 pieces and has over 61 feet of rigging. All the shrouds, and the standing rigging were made by hand on a ropewalk.

The model is catching eyeballs from all over the world, its unbeatable craftsmanship is getting its worthy appreciation and makes it stand away demanding a proud owner. It is a perfect accessory for the home or office.

Since 1997, Dens Model Ships has specialized in the sale of exceptional one-of-a-kind handcrafted museum quality ship models, half hull models, cross section models, Noah`s Ark Dioramas, and Noah`s Ark models. He now builds and sells his models all around the world, you can see these beautiful Ark models at the Noah`s Ark Model Store www.scalednoahsarkmodels2buy.redtienda.net , and Ship Models at the Model Ship Store www.nauticalgifts.redtienda.net.
