Dated: Nov 22, 2009

Have you ever noticed that some baseball teams in your league spent a whole lot of money on custom baseball uniforms, but the pants look like some of the guys have a different style pants on because the length looks so different?

The reason this happens is some guys are skinny & the pants look shorter on them, than the average height guys. Or if the boy is a little heavy, they may look much longer than the other team members baseball pants.

There is a solution. There is a company called Taylor Companies Intl. that can make custom baseball pants in custom lengths at no extra charge.

You can design your own, or they can do anything you see anywhere. So tell your coach about them & your team members & you can be a hero.

The price per set is \$80.00, minimum 12. But please allow 3 weeks to manufacture.

Call today at 866 997-7678 to get a written estimate and you can get custom lengths at no extra charge, they will give you FREE custom tacketwill lettering in 2 or 3 colors for the team name, individual name on back & any size numbers on front & back all in 2 or 3 colors FREE. Just mention this article.
