Home Decor and Stylish Living Blog Kicks Off with Baccarat Crystal Decanter Giveaway

Old World Charm (<http://www.oldworldcharm.info/>), a recently launched blog focused on providing consumers with insights and discoveries about interior decorating, classic home decor, entertaining and stylish living, today announced a giveaway to celebrate its launch. For a chance to win a vintage Baccarat crystal decanter, readers are being asked to submit a 150-word or less email explaining why they want the piece.

“I thought the giveaway would be a nice welcome, but the goal of Old World Charm is to offer a steady stream of information, inspiration and advice throughout the week. I'll cover things like interior design, architecture, outdoor living, vintage style, travel and up-and-coming talent,” said editor Shannon, a veteran freelance luxury lifestyle and travel writer who blogs under his first name only. “I realize that design and lifestyle blogging is a crowded field, but the appetite for style culture is large and growing because people are so passionate about their homes and the objects and people they love.”

Old World Charm's debut posts include inspirational photographs of the style icon's residences (including Coco Chanel, Jacqueline Kennedy and The Duchess of Windsor), Victorian and French country-style homes and fireplace options; tips for holiday entertaining; an interview with a popular New York City design blogger and former Martha Stewart employee; the profile of a Virginia-based international interior designer; and a travel article on Zanzibar, Tanzania.
