

Studio's Gift Aims to Help Boost Economy

By Debbie Wilcox

Dated: Dec 02, 2009

In an effort to help stimulate the economy, August Elements, a visual communications studio, is making an unique offer. The 20/10 Holiday Gift will give any business or organization 20% off their first project with the studio and 10% off the second.

BELLINGHAM, WA – In an effort to help stimulate the economy, August Elements, a visual communications studio, is making an unique offer. Their 20/10 Holiday Gift will give any business or organization 20% off their first project with the studio and 10% off the second project.

According to a recent USA Today survey, 51% of small business owners believe they will not be in business in 2010 or 2011, given the current economic situation.* Businesses and organizations can take action now and reap the rewards of creative advertising and marketing in 2010. “As a small business owner, my motivation is finding creative ways to enable other businesses and organizations to succeed in 2010. A year of strong growth for businesses will lead us one step closer to a healthy economy,” says Shannon John Wilcox, August Elements’ owner and creative director.

To receive this gift, simply go to www.augustelements.com and click on the 20/10 Holiday Gift banner on the bottom of the home page. Then submit your project specifications. August Elements will respond with an estimate within 48 hours. If the estimate is approved and the project begins prior to January 31, 2010, then your company or organization will receive a 20% discount on it and a 10% discount on your next project during 2010.

August Elements was established in August 2008 and is based in Bellingham, WA. The studio draws on over 18 years of experience to provide print and web design, branding and marketing consultation, and commercial photography to companies, government agencies and nonprofit organizations. They ensure that their clients receive maximum value from their investment, and now with the 20/10 Holiday Gift, businesses and organizations receive an even better package. For more information about August Elements, contact 360-312-7590 or visit www.augustelements.com.
