

Dream Style Vacation Club: The Dream Style Vacation Elite Team Announces Exclusive Training

Dated: Dec 04, 2009

If your like me, you've been searching for the right team, the right sponsor, and the right systems to take your Dream Style Vacations business to new heights...look no further.

The Exclusive **Dream Style Vacations** Team Training and Resource Sites are complete! Tested, and with proven results ...

Many ask ... why would we need a training site? It Seems Like *Dream Style Vacations* Would Provide You With Everything You Would Need To Succeed With The System ...RIGHT??

You may be surprised, but the answer for many is... WRONG!!!

I cannot stand hearing people say that all you need to do is join "xyz" business and they will give you everything you need to succeed. I Can't Stand Hearing That!!

If you EVER hear that from ANYONE, run away or hang up on them as fast as you can...and call them a scam artist right before you do! :)

When you join a business opportunity (ANY on-line business opportunity), you will be instructed to market your affiliate link. Well guess what? That's what they tell every single affiliate to do. So when you have a bunch of affiliates marketing the same exact website...

WHY WOULD ANYONE JOIN YOU?

You haven't differentiated yourself from the competition. Although Dream Style Vacation Club is the most lucrative business opportunity I've seen for the price, with a product in an \$8 Trillion Dollar Industry, that everyone seems to want ... if you market the company-provided replicated website, you're not giving your prospects ANY reason to join you. You are simply a replicated website, and for all they know, there isn't even a real person behind the site you're working so hard to promote.

First of all, you need to develop specific skills to become successful in this industry. No business opportunity can magically give you these skills. They can provide you with resources, support, and a very compelling opportunity to market...but not the skills.

These skills can be developed by educating yourself and learning through trial and error. But a much quicker way to pick up the skills that lead to success in any industry is to learn from an experienced mentor and team of leaders that already have those skills, and already have the training in place for you to develop those EXACT skills...so you can start enjoying the EXACT same results in excess of \$21,000 per month as well.

I found that the majority of people that fail online is due to lack of knowing how to drive quality traffic to a website and lack the ability to convert traffic into quality prospects and then sales.

There are 2 pieces to the puzzle here...

1) Traffic

2) Conversion

If one piece is missing, YOU WILL FAIL! Sorry to be blunt but you need the truth and I'm here to tell you how it is.

Without traffic, no one will see your sites, which leads to ... obviously, not closing any sales.

Without conversion, you could have all the traffic in the world, but none of that traffic will turn into a sale.

In order to convert your traffic into sales for you on autopilot, you need a professionally crafted marketing system in place to funnel your traffic through. This marketing system CANNOT, I repeat CANNOT be a company-provided replicated website because it doesn't give your prospects any reason to join YOU over everyone else marketing the same "system".

Instead, your marketing system must be customized to you, giving your prospects compelling reasons to join you in your Dream Style Vacation Club business. THAT is the secret to converting your traffic into sales like clockwork!

But there's still a problem...

Most people don't have the skills to set up their own marketing system and drive highly targeted traffic to their system.

But Our Team Does ...

We have ALLLL you'll ever need just sitting there waiting for you within My Exclusive Dream Style Vacations Training And Resource Site... How You Can Create Your OWN Customizable Marketing System along with Extensive Training on how to drive MASSIVE amounts of highly targeted traffic through your own marketing system, not just cookie cutter replicated sites that plane and simply DO NOT WORK!

No one, and I mean NO ONE in Dream Style Vacations has gone to the lengths that I have to ensure your success. I did all of the hard work for you so that you can get your cash generating machine up and running in no time so you can get to taking those vacations you've always dreamed of.

Starting your business with a proper *system* will cut years off your learning curve and make the difference between success and failure.

That's the SECRET KEY!

Most people make things too COMPLICATED and that leads to inaction.
SIMPLE WORKS... SYSTEMS WORK... TEAMWORK WORKS!

There are so many people who tell me everyday that they're team does not provide any support, no training, no ad copy, no resources at all... and they're just stuck.

Don't get stuck like they did...
