Diet Features

With the information in this book, you will be able to:

- easily determine your own ideal protein, carb and fat ratios.
- analyze your body type (are you an endomorph, ectomorph, or mesomorph?)
- determine your BMR (Basal Metabolic Rate, or the amount of "maintenance" calories your body requires every day), and
- find out whether you are carb tolerant or carb intolerant.

This personalized or individualized approach makes perfect sense because each and every one of us is a unique individual and no two people are exactly alike in terms of body physiology and personal goals.

Fitness Features

- Cardio secrets for maximum fat loss. Why it's better to burn the fat rather than starve it.
- Weight training for fat loss. Why diet and cardio are not enough.

Support

For an additional \$8.00 per month (\$97.00 for 12 months) you can join Tom Venuto's private "Burn the Fat Inner Circle" membership site, where Tom use his lifetime of knowledge and experience to continue helping people in an intimate, personal way, to help you take your body and your health to a whole new level.
