

Modify Loan Experts hires MLE Law Group P.C. as their Attorney Firm

Modify Loan Experts and MLE Law Group P.C. have made it official that they are now doing business together with loan modifications and debt settlement.

Dec. 22, 2009 - [PRLog](#) -- Pasquale Longordo owner of Modify Loan Experts, announced this morning on their company's web site, www.Modifyloanexperts.com, that Modify Loan Experts has partnered with MLE Law Group P.C. to offer homeowners the most comprehensive way to modify their home loan and avoid foreclosure.

President of MLE Law Group P.C. Doug Hampton stressed the importance of retaining a firm that provides legal representation to loan modification clients. "There are a lot of fly by night firms out there looking to make a quick buck" said Hampton. "Choosing a loan modification firm that provides legal representation is critical; without it the firm is operating illegally."

Mr. Longordo, who serves as an operating officer with Modify Loan Experts, adds that "providing the client with an honest assessment of their financial situation is the first step towards a successful mortgage modification; the second step is working with an attorney who understands the idea of negotiating. We are proud to be working with MLE Law Group P.C. to best serve our clients during their very stressful and very emotional struggle to avoid foreclosure." doraemon game, make your own christmas screensavers, christmas myspace layout

To speak with a loan modification and debt settlement specialist call (888) 400-4151.

First step, if you decide that you are NOT willing to take the time and endure the possible frustration of doing it yourself, then you should hire a professional to negotiate on your behalf, which we strongly recommend. Modify Loan Experts has partnered up with MLE Law Group P.C., an attorney-based loan modification company, that you can hire to help you successfully negotiate a modification of terms and conditions to your current home loan.

Loan modifications, debt settlement, credit repair

###
