Dec. 31, 2009 - [PRLog](#) -- Leith Kia Suzuki Mitsubishi, the leading Fayetteville Car dealer, is proud that Kia Motors now has an excellent certified pre-owned program for their customers. The program comprises of the following aspects.

150-Point Inspection - Kia has a series of rigorous tests for every used Kia vehicle considered for the program certified pre-owned program. This inspection process is comprehensive and covers all parts of the vehicle.

Vehicle History Report - By conducting a full vehicle history check, Kia is ensuring that the vehicle is legally documented and is in the clear for the new owner. The vehicle history check also informs you if the vehicle has ever been in a major accident or other disaster.

Warranty Coverage - Kia offers an excellent 10-year/100,000-mile limited powertrain warranty with each vehicle. There is also a Kia Certified Wrap Service Contract, which buffers the new owner with extra levels of coverage beyond powertrain coverage.
