

Structural drafting for House & Regional structure drawing standards

Source: Richard

Dated: Jan 19, 2010

Our team is familiar with many international standards such as American National Standards (AWS, B46), UK Standards (BS.8666, BS.5950) and Australian Standards (AS). Complete structural drafting for your house at low cost!

Are you looking for a reliable and cost-effective structural drafting consultant to support your ongoing housing project?

At Outsource Structural Drafting firm, we provide a full range of 2D structural drafting service including building plans, as-built drawings, design analysis, construction documents and mechanical-electrical-plumbing drawings. Our team of dedicated structural drafters can quickly adopt your layering standards, naming conventions and plot styles.

Our team is familiar with many international standards such as American National Standards (AWS, B46, ISO 1302 and Y14), UK Standards (BS.8666 for RC detailing, BS.5950) and Australian Standards (AS/NZS Technical Drawing, AS 3600-2001 for Concrete structures) and many more.

Save 60% on **structural drafting and design drawings** related requirements. Get free custom quote at <http://www.outsourcestructuraldrafting.com/contact.php>

We offer effective structural cad services including:

- Detailing for Reinforced concrete design
- Structural steel drafting
- Structural layouts/details for trusses, joist and framing
- Rebar detailing and Shop drawings
- Foundation Plan with engineering schedules
- Drawings for Shallow, Raft and Pile foundations
- Drawings for Pre-stressed structure
- BIM Modeling
- Construction documentation etc.

We can match your **structural drafting standards** or if you want, we can set up a new set of standards for your structural drawings.

Specific industry segments include:

- Houses and Residential buildings
- Wooden Frame Structures
- Reinforced Concrete/Post Tensioned Structures
- Precast Panel Structures
- Industrial plants
- Water tanks, Retaining walls & Civil structures
- Steel Structures

Should you have any questions regarding drafting standards or need more information, please feel free to contact us. Our representatives are happy to help and will respond to you within 24 hours.

Email your specific requirements at info@outsourcestructuraldrafting.com today!
