Revival of classic Hawaii Five O series may have its Danno in actor Peter O'Meara

Peter O'Meara has just met with the creative producers of the soon to be revived CBS classic cop show Hawaii Five O. The Irish actor from Tipperary is under consideration for role of Danny 'Danno' Williams famously played by James MacArthur.

'This is a tremendously exciting prospect for me. I grew up in damp rainy Ireland and Hawaii Five O with its sunshine and adventure was the show that I loved most as a kid. Its had everything. Its the show that first made me want to be an actor. Of course I wanted to be Steve McGarret. He's the James Bond of Television characters. But Danno would be great too. Its the fulfillment of a childhood dream just to be considered for the revival of such an iconic series. CBS is the best network of all.'
