

Dentists Earn Continuing Education Credits on University of Toronto Southern Caribbean GOLF Cruise

The University of Toronto, Faculty of Dentistry, is offering Dentists who share a passion for the game of golf a unique opportunity to tee it up in the Southern Caribbean while on a cruise to earn CE credits for current licensure maintenance.

Feb. 6, 2010 - [PRLog](#) -- The 16th Annual University of Toronto, Faculty of Dentistry, seven day seminar at sea golf cruise, departs from San Juan, Puerto Rico, February 21st. 2010, aboard the Princess Cruises liner, Caribbean Princess.

"Dentists will receive two (2) four-hour sessions of the most current and relevant dentistry education. Sessions are held during 'at-sea' days so they won't conflict with hosted shore side GolfAhoy golf excursions at Mahogany Run GC - St. Thomas; Cedar Valley GC - Antigua; St. Lucia GC - St. Lucia and Sandy Lane GC - Barbados", says David Almos, Toronto based GolfAhoy Golf Travel Ambassador. Before buying his golf business franchise from GolfAhoy, Almos spent fourteen years with Maritz Canada, the giant incentive travel company as Senior Creative Director - designing custom travel incentives for Fortune 500 companies.

What Endodontic Treatment Can Do for Your Patients and You

GolfAhoy has been serving North America's 27 million golfers with innovative and affordable golf cruises, land based golf packages, European river barge golf vacations, luxury charter yacht golf adventures and four day weekend private jet getaways to St. Andrews, Scotland - since 1988

Dentistry CE credit sessions at sea. "What Endodontic Treatment Can Do for Your Patients and You" presented by Shimon Friedman, D.M.D.

Dr. Shimon Friedman is currently Professor and Head of Endodontics, and Director of the M.Sc. Endodontics Program at the Faculty of Dentistry, University of Toronto.

He received both the D.M.D. degree (1975) and the certificate in Endodontics (1983) from the Hebrew University and Hadassah Faculty of Dental Medicine in Jerusalem, where he taught for 16 years before assuming his current position in Toronto.

He also spent one year as a visiting professor at the School of Dentistry, Temple University in Philadelphia, PA.

Dr. Friedman is board-certified in Endodontics by the Scientific Council of the Israel Dental Association. He has served as a Scientific Council examiner (1983-1992), and as Chairman of the Israel Endodontic Society (1985-1988).

Dr. Friedman is a member of the American Association of Endodontics, the Canadian Academy of Endodontics, the Ontario Society of Endodontists and the Finnish Dental Society Apollonina.

He has served on the editorial boards of the International Endodontic Journal, Oral Surgery, Oral Pathology, Oral Medicine, Radiology and Endodontics, Endodontics & Dental Traumatology, Practical

Periodontics and Esthetic Dentistry and Alpha Omegan.

Dr. Friedman has published 125 articles in peer-reviewed scientific journals, 10 textbook chapters and many research abstracts. He has presented over 220 national and international lectures. In recognition of his research contributions, Dr. Friedman was awarded the 2008 Louis I. Grossman Award by the American Association of Endodontists. Dr. Friedman also maintains a private practice limited to Endodontics in Toronto.

Topics covered in lecture seminars include:

- How to treat "untreatable" teeth?
- What are the long-term outcomes after non-surgical treatment?
- What are the long-term outcomes after surgical treatment?
- How it is done? Strategies for retreatment, apical surgery, intentional replantation and transplantation.

GolfAhoy Ambassador - David Almos www.GolfAhoy.com/7816 says, "GolfAhoy has been serving North Americas 27 million golfers with innovative and affordable golf cruises, land based golf packages, European river barge golf vacations, luxury charter yacht golf adventures and four day weekend private jet getaways to St. Andrews, Scotland - since 1988".

"Within the GolfAhoy 'golf travel specialist' platform there are Ambassador sub-specialties; like partnering with CPGA & PGA Pro's at golf clubs to promote club-member-group golf travel and golf & spa cruises; or working closely with corporate meeting planners and incentive travel buyers; and non-profits for fundraisers; or GolfAhoy GTMS - Golf Tournament Management Services - our full service golf tournament management subsidiary which runs amateur golf tournaments for charities, corporations, associations and country clubs". http://golfahoy.com/GolfAhoy_Golf_Tournament_Management_S...

"As a GolfAhoy Ambassador, the 'GolfAhoy University At Sea Golf Cruises' sub-specialty is most appealing to me. I specialize in organizing Continuing Education Credit golf cruises with year round scheduled departures for Physicians, Dentists, Chiropractors, Nurses, Attorneys, Pharmacists, Psychiatrists, Psychologists, Physician Assistants, Insurance CLU Financial Planners, Therapists, and Health Cost Management & Health Care Mediators".

Continuing Medical Education managers may request a brochure by calling toll free 1-877-415-5442 x 7816 in North America or +1-780-415-5442 x 7816 internationally or email 4golfahoy@gmail.com.

#

GolfAhoy pioneered the 'golf cruise' concept in 1988. Our 'University at Sea Golf Cruises' are designed for professionals in the medical, legal health services, accounting and money management fields to get required annual Continuing Education Credits while on a GolfAhoy cruise.
