Feb. 13, 2010 - [PRLog](#) -- Have you ever heard of Why He Doesn't Call? How can this information can help you? Discover more about it at <http://www.mytowncolorado.com/profiles/blogs/why-he-doesnt-call-how-to> ! Have you ever been in this situation? You meet a guy. Sparks fly. You think he is the one. And you truly believe he feels the same about you. You go out a few times and the relationship seems to go in the right direction. And then all of a sudden he stops calling. He just drops off the face of the earth. You don't hear from him.

You try calling him and he doesn't answer. He doesn't talk to you and he doesn't return your phone calls. He lets your phone calls go to the voice mail. You leave a voice mail message only to never hear back.

You start panicking. After all he seemed so interested. You seemed to have really hit it off. What happened? Why did he stop calling all of a sudden? Was it something you said? Was it something you did? Was it something you didn't do?

I get this kind of questions from women all the time by e-mail. They phrase their questions differently, but the crux of it is why did he stop calling? Why would a man whom I dated for a few weeks stopped calling and stopped responding to my phone calls?

For many women men are mysterious. But in reality men are easy to understand. Men are simple. And if you don't understand what to do when your boyfriend or a man you have been dating stops calling you, responding to your phone calls, text messages, and e-mails, there are many resources that can explain to you why a man would suddenly stop calling a woman in dating and what to do to get him to call you. Why He Doesn't Call is the one-stop resource that will answer all of your questions when it comes to calling men in dating.
