CitiXsys is attending the SAP Partner Summit 2010 in Las Vegas

Feb. 26, 2010 - [PRLog](#) -- CitiXsys will be attending the SAP partner summit 2010 in Las Vegas from February 28th through March 2nd where they will showcase their product line to the SAP Partner community. With the new releases of their flagship products, iVend Retail and Inventory Pro, CitiXsys is keeping pace with the SAP product release of 8.8. Moreover, iVend Retail and Inventory Pro has been translated to Spanish and iVend retail to Brazilian Portuguese.

Other solution offerings from CitiXsys including Credit Card, Item Matrix, Container Management and Inter-Company are designated to follow closely behind with their 8.8 release.

CitiXsys reiterates its commitment to SAP, its partners and customers to reap business benefits from robust and intuitive applications.

“We are very enthusiastic about communicating our message to the partner community. Our solutions are mature, stable and very feature rich. We have many customer references regarding the benefits our solutions have provided and many partner references on working with our company and how we enabled them to close trouble free business.” says Gary Lacombe VP of CitiXsys Americas.
