

So Frenchy so Chic! Plus Size Fashion Adventures in Paris

By Teena Hughes

Dated: Mar 07, 2010

Plus size women who like to travel can now enjoy a week-long fashion adventure in Paris, France with Teena Hughes to find sexy and chic French clothing.

Fashion-savvy plus size women can now shop for fabulous clothes in the City of Love and Light. Up until now everyone believed that Paris is the thin-person fashion capital of the world, and have seen the models on the catwalks of Paris, London and New York. A well-kept secret is that there are beautiful plus size clothes available too -- right in fashion paradise -- in Paris, France.

The next annual Plus Size Fashion Adventure hosted by Teena Hughes is from 20-27th June 2010. Visitors to Teena's website commented that there didn't seem to be any truly fashionable clothes for plus-size women and girls in Paris - so Teena decided to share her plus-size fashion secrets with them.

Many designers create large clothing in black, brown and navy, and expect plus size and voluptuous women to be happy with mediocre design. By being part of the Plus Size Fashion Adventure, women can finally feel and look fabulous, stunning, gorgeous - wearing designs that flatter and fit.

An added bonus on the Plus Size Fashion Adventure is that Teena shows you the Paris she has come to love over the past 30 years; join Teena to explore and see the hidden Paris like a local and have lots of fun and laughter along the way.
