

Sport meets hybrid in the new Honda CR-Z

Source: christine

Dated: Mar 15, 2010

The new Honda hybrid is attracting a lot of attention since its launch last month. The orders are roughly at 60% of Honda's annual sales target of 12,000 units. Orders for the Honda CR-Z flew past the expected 7,000 mark in two weeks!

The new Honda hybrid is attracting a lot of attention since its launch last month. The orders are roughly at 60% of Honda's annual sales target of 12,000 units. Orders for the Honda CR-Z flew past the expected 7,000 mark in two weeks!

It's one of the lightest cars in the auto industry, and still manages to incorporate important safety features such as airbags, Vehicle Stability Assist and the ACE body structure. The low weight of this auto vehicle contributes to great handling, acceleration and fuel economy. Honda CR- Z hybrid sports car can be found at a South Florida Honda dealer near you.

This Honda hybrid features a 3-mode drive system, which allows the driver the option to use sport, normal or econ. Check your Miami Honda dealer for the best car prices and new car specials.
