

Dodge Caravan NY and Chrysler Town & Country NY Consumers: Take the “Pledge”

Dodge Caravan NY and Chrysler Town & Country NY consumers discover the “Minivan Pledge” at East Hills Chrysler Jeep Dodge.

April 14, 2010 - [PRLog](#) -- ROSLYN, N.Y. – Dodge Caravan NY and Chrysler Town & Country NY shoppers can find many things to celebrate in East Hills Chrysler Jeep Dodge’s “Minivan Event,” including a unique pledge from the dealership to its customers.

The “Minivan Pledge” is a special promise to any customer purchasing a 2010 model year Dodge Caravan NY minivan or Chrysler Town & Country NY minivan. The “Minivan Pledge” was created with customer satisfaction in mind, and allows customers to return their vehicle within 60 days, no questions asked, if they aren’t completely satisfied with their Dodge Caravan or Chrysler Town & Country.

General Sales Manager Ed Whiffen said, “The April Minivan Event contradicts popular thought about purchasing a minivan. People are so set in their thinking that brand new car purchases from dealerships are final sale, but here’s an opportunity to return a car after two months of owning it.

“We’re so confident in the 2010 Dodge Caravan and 2010 Chrysler Town & Country vehicles we doubt anyone would be dissatisfied with their purchase. We’re also allowing customers to choose \$500 in bonus cash if they don’t want to participate in the 60-day ‘Minivan Pledge.’”

Chrysler Town & Country NY families searching for innovation in minivans choose the Chrysler Town & Country 2010 model. Families can increase safety by opting for the available Blind Spot Monitoring System and Rear Cross Path Detection System which uses sensors to alert drivers when a vehicle enters their blind spot and visual indicators on exterior mirrors to warn the driver if traffic is approaching their minivan.

Dodge Caravan NY shoppers will enjoy all the comforts that this five-star crash rated vehicle has to offer. The entertainment possibilities are almost endless with the Grand Caravan’s Uconnect Multimedia and Rear Seat Video DVD. The video system can be operated from either the front or rear seat entertainment unit or the radio head unit. The available 4.0-liter, V6 engine also enhances highway operation keeping the ride smooth for passengers so they can focus on the entertainment, not the noise.

To take advantage of the month-long only “Minivan Event” visit
