Stock Market Tips. Winning Stock Trading Picks at MomentumStockTrading.com

May 1, 2010 - [PRLog](#) -- Stocks Under \$5 > Best Stock Picks to Invest In - Trading Tips

BY.- <http://www.MomentumStockTrading.com>

The stock market is presenting us with a wide variety of NEW hot stocks for 2010.

Many of them are new technology stocks that come from the nanotech, biotech, financial, energy, healthcare & communications sectors.

CERTAIN stocks can achieve high percentage gains in a matter of minutes or double in price during the same week.

Knowing how and when to pick these lucrative trading opportunities can be worth a long lasting gold mine for any day trader.

The problem is that if you don't know how to choose among good hot stocks and how to manage the trade you won't be making consistent winning trades.

Subscribe and learn more at <http://www.MomentumStockTrading.com>
