

Live debt less with complete financial security

U.S. Financial Freedom Company founded from Debt Settlement and Debt Consolidation, but soon discovered many consumers had more unique needs.

June 8, 2010 - [PRLog](#) -- U.S. Financial Freedom is the one-stop option for all your debt issues. Our debt consultants are trained with you in mind as we understand that our every consumer has individual distinctive needs. So U.S. Financial Freedom went on to diversify an array of programs which can prove practical for as many consumers as possible. We can take up all kinds of debt issues which include credit card help, credit card debt help, mortgage help, bankruptcy alternatives, credit counseling and credit repair. At U.S. Financial Freedom, our debt consultants are trained with you in mind. When speaking to one of our consultants you will notice that you are a part of our well tailored process which is specially designed to meet solutions with the help of a 3 formulated steps involving our consultants to first assess your current financial situation, second determine which plan or program will best suit your financial needs and assist you to reach your goals in a realistic timeframe, and then lastly approving a solution and helping you with the enrollment process. We strive in making your life financially manageable through learning and understanding to help you on the road to financial freedom and for this reason we deal directly with your creditors so you don't have to. Our program functions as a liaison between you and your creditors and negotiates the most favorable terms possible allowing you to get out of debt the fastest way possible, and satisfy your creditors at the same time.

If you are backed on by your mortgage and are in the midst of a financial hardship, to save your home from entering foreclosure, our dedicated staff is here to help you achieve a prompt resolution to your mortgage related debt. At the end of the day, our processing and negotiating team will resolve and find a solution to help our client's financial situation. If you'd like to eliminate credit card debt and have better control over your financial life then you are at the right place, our debt settlement program is focused on eliminating your debt. Our consultations are free of charge and involve no obligation, feel free to ask many questions so you have a clear understanding of your options to get out of a debt. Our goal is to establish a collaborative relationship, based on trust, integrity, and confidentiality. So if you are looking for a flexible solution like us then you can simply log on to our website: WWW.usfinancialfreedom.com or give us a call on: 1-866-323-0244 and our consultants will be more than happy to assist you.
