Title Loans Pomona has been providing the citizens of Pomona and all of California with confidential secure loans since 1999 and have become the largest title loan company. To put it simply: they are the best! They do not hide any fees in their fine print, nor do they have interest only loan payments. They want to provide a loan to their borrowers to help them financially and restore their credit scores. They are a flexible loan provider who needs to be taken into consideration when looking for a loan. To their borrowers they offer an amortized loan which enables their borrowers to pay off both the principal and interest instead of just interest only with a large balloon payment at the end. Title Loans Pomona also will never penalize their borrowers for paying off the loan early, unlike many other loan companies.
