

Appliance Manufacturer GE Rates The Top Lancaster, PA Appliance Repair Company

Since 1932, LH Brubaker Appliances & Water Systems has been serving the tri-state area in the sales and service of appliances. With the addition of the water conditioning, LHB has become your one-stop shopping experience.

June 15, 2010 - [PRLog](#) -- Lancaster, PA - LH Brubaker Appliances continues to learn about new makes and models. And, at times, they consult the factory help-line or solve the problem even before the manufacturer has a solution! Brubaker is GE's number one sales leader.

Owner and General Manager, Don Frank, Sr. points out that LH Brubaker Appliances and Repair Services has the largest inventory of appliance repair parts in stock anywhere on the internet. "We have thousands of part pictures, thousands of model diagrams online, and pages and pages of appliance repair help," said Don. "You can be sure you are getting the right parts."

Since 1932, LHB Appliances & Water Systems has been serving the tri-state area in the sales and service of appliances. With the addition of the water conditioning, LHB has become your one-stop shopping experience. Family-owned and operated, we have made a commitment to satisfy our customers.

There's simply no other appliance store like LHB Appliances & Water Systems in Lancaster and Cumberland Counties. Nowhere else in the tri-state area will you find as extensive a selection of GE appliances and other high-end, built-in and professional quality kitchen appliances. But you'll do more than just see them. You'll touch them. Feel them. And discover a selection you won't find anywhere else.

At LHB Appliances & Pure H2O, we not only greet you with a friendly sales person, but they will also back up any purchase with their own trained technicians. Brubaker Appliances repair technicians are authorized under contract to repair your appliance if you should ever need it.
