Gonzales, TX - (June 11, 2010) - Adams Flavors Foods & Ingredients LLC has been named a Safe Quality Food (SQF) 2000 Level 2 Certified Supplier by the SQF Institute, a division of the Food Marketing Institute (FMI) and independent certification agent Steritech . The SQF Program is a leading, global food safety and quality certification program and management system designed to meet the needs of buyers and suppliers worldwide. It provides independent certification that a supplier's food safety and quality management system complies with international and domestic food safety regulations. This certification assures suppliers and customers that Adams products have been produced, processed, prepared and handled according to the highest possible standards. Adams was awarded an Excellent (E) Rating, the highest level of compliance, which equates to 96-100 percent score.,

Adams leads a very short list of only 5 American companies specializing in comparable products that has achieved this prestigious status. "Our entire team worked very hard to receive this Excellent rating, and we are honored to receive this SQF certification," said Clay Ruple , President and CFO of Adams FF&I . " This certification demonstrates our company's overall commitment to operating in accordance with the highest level in food safety and quality standards."
