**July 1, 2010 - [PRLog](#)** -- It's morning and you want to take flight. Are you looking for a Lazarus Experience to take flight? From Triumphant Muzik the talented musician Konviction originally from Louisville, KY, now residing in the great City of Orlando, FL is set to release his highly anticipated debut album "The Lazarus Experience Vol. 1" in August 2010 in conjunction of celebrating the National Aviation Day launching at House of Jazz Restaurant in Charlotte, NC where successful aviation was set in motion. This captivating rap artist has been invited to rock the stage with other inspiring and uplifting artists and have an exciting experience.

Konviction is marking a huge milestone in his career as a multi-talented songwriter/rapper. The album, "The Lazarus Experience Vol.1", which consists of fifteen original tracks, is sure to entertain, inspire and captivate its listeners. The album is full of southern style crunk beats, Christ centered lyrics, and artistic flavor designed for the most passionate Christian rap fan.

The theme of the album underlies the change that Konviction has gone through over recent years, the biggest of which being his 'conversion' from death to life. He proclaims the life giving power of Jesus Christ in his life and walks the listener through his process of redemption and restoration. He underscores the fact that if Christ could raise him up from the dead like he did for Lazarus, he can do the same thing for you.

'The Lazarus Experience Vol. 1' is truly a relevant message for our youth who need to know that they too can be changed through the power of faith in God and fight to stay right. This album is undoubtedly a must have for youth groups, outreach ministry teams, community organizations and everyday people who are looking to connect with the youth on their level.

The influences of his music include Lecrae, Toby Mack, Da Truth, Sho Baraka, Trip Lee and This! to name a few. This record will be a "must have" in your collection of amazing Christian music. Details are forthcoming on a worldwide Triumphant Muzik album tour that will kick-off this August 2010, and we'd like you to be apart.
