July 8, 2010 - [PRLog](#) -- www.feldmandaniel.com

I have been working for the biggest roofing companies in Ontario. Recently I reached the conclusion that I have to stop working for big corporations that pay peanuts to their people and pocket the big money.

I am confident in my skills and I can perform the same exact jobs for myself and offer the same services FOR A MUCH CHEAPER PRICE,THAT MEANS YOU CAN SAVE A LOT OF MONEY.

WOULD YOU RATHER HAVE THE COMPANY SEND ME TO YOU AND PAY BIG MONEY OR.....

WOULD YOU PREFER TO PICK UP THE PHONE AND CALL ME DIRECTLY AND SAVE A WHOLE LOT OF MONEY, there are some of the good things in obtaining my services, I will try and put some of them here :

1. As a smaller company my expenses are low and so I can afford to go much lower with my prices.
2. When you talk to someone at F.D SPLASH ROOFING ..that someone is always me so at all times you will get exactly what you were promised, unlike the big guys that have 20 salespeople trying to make as much money as possible and no one really knows exactly what you were promised.
3. Last but not least important is that I am reliable and not like others I will show up at your house at the exact time that we agreed, there is a simple logic behind that beside good manners, as a small company I am trying to build a good reputation and keep it that way.

I know one thing,EVERYBODY WORKS HARD FOR THEIR MONEY, MAKE IT GO AS FAR AS POSSIBLE !!!!

THANK YOU FOR TAKING THE TIME AND READ ABOUT ME .
HAVE A GREAT DAY !

First I would like to let everybody know that estimates are free.

It is mostly impossible for me to give you a price over the phone.

Every job site is different , all my estimates depend on many factors, like Access, Height, Material needed, Roof pitch and many others.

If you would like to take a look at my specials, please click the appropriate page above, you may find a special that would work in your situation.

I do not charge anybody by the hour, I only charge by the entire job.

So please be kind and understand when I say I have to see the job in order to make up a price for you, In some cases I can give you a rough idea of how much it would cost you.

I do have a minimum charge of 150\$ for any job equal or of a lesser value.

Thank you for understanding, hope to hear from you soon
