

## **Masters (MSc) in Clinical Research & Clinical Data Management (MCRD)**

*“Cliniminds in technical collaboration with MS University brought the concept of Masters (M.Sc.) Degree from UGC recognized University and job placements through highly experienced Cliniminds Clinical Research Institution”*

**July 9, 2010 - [PRLog](#)** -- Cliniminds has been selected as a teaching and training institution by several national & international level organizations and now enjoys the prime position in quality with 10 centers all across in India.

Cliniminds having 6 year of experience in providing courses through class room, online for both students as well as, company professionals too. In last few years clinical research was growing and now clinical research field became largest sector in terms of job opportunities for the Science background students.

Clinical Research being the largest sector in terms of job opportunities even though to get a job in Clinical Research industry students must be practically trained in the subject. According to the current practice students have to do some diploma program to get a job in industry after their master's degree and they have to bear extra money for the diploma courses.

Cliniminds with its excellence, experience, strong vision and in collaboration with MS University Tamil Nadu offers Masters (M.Sc.) in Clinical Research & Clinical Data Management. Students will be awarded Masters Degree from UGC recognized university and ICH GCP certification from Pharmaceutical Society of India and Cliniminds jointly. This will eventually reduce time for students to get enrolled themselves in job and save money.

The syllabus of the course is well structured with practical training, internships and project work. Upon completion of the program students will be having an experience of 6 months in industry which will make them to get in to the industry with good salary and designation. Students will be having a choice of selecting areas like Clinical Research, Pharmacovigilance, Quality Assurance, Regulatory affairs, Medical Writing and Clinical Data Management.

Admissions are open for the M.Sc. course. Limited seats are available. Interested Students can contact on 91-79 40308700/+91-9998704343 / +91-9909916047 or mail us at [gujarat@cliniminds.com](mailto:gujarat@cliniminds.com)
