Beset with recurring dreams of a handsome, fearless warrior, Kate leaves her native Pennsylvania and travels to Wyoming, in search of the deeper meaning behind her nightly visions. What she ultimately finds, though, turns out to be much more than she bargained for, as a chance meeting with the alluring Shoshone Indian Brandon launches her on a poignant journey of profound self-reflection. Ultimately, Kate's fate becomes enshrouded in mystery as an impassioned soul mate from her past wages a fevered quest to reunite with her at all costs...

With well-crafted storylines and a rich cast of characters, Never Surrender is an engaging tale of ageless romance. In compelling fashion, author Deanna Jewel treats the reader to a moving account of the unyielding power of love – which, as Kate ultimately discovers, transcends the natural boundaries of space and time; however, though love features prominently in her narrative, it is only one of a host of topics that Jewel addresses throughout the course of her enlightening tale, the others being prejudice, personal sacrifice, and the perils of cultural bigotry. Jewel also provides the reader with an insightful glimpse into the storied depths of Shoshone culture, highlighting a wide range of the lesser-known aspects of Native American lore.

An engrossing tale of the unrelenting power of true love, Never Surrender is a touching, heartwarming read.
