

Lavor hot water pressure washers now available

The new range of Lavor hot water pressure washers is now available to buy online from toolsandpowertools.co.uk the new trade price tools website from Genpower.

July 27, 2010 - [PRLog](#) -- The new range of high pressure washers from Lavor is now available to buy online at trade prices from Genpower at their new tools website- www.toolsandpowertools.co.uk
There are two hot water pressure washers in the range, plus a line up of petrol powered high pressure washers.

The Lavor range compliments the Sealey, Hyundai and Evopower pressure washers already supplied by www.ToolsandPowertools.co.uk

The Lavor range represents tremendous value for money with the base model bringing this hot water machine within everyone's budget.

Lavor is one of Europe's largest manufacturer's of pressure washers and renowned for the high quality products that it produces.
